

## Motocross Decision Deferred

At the meeting of the King William Zoning Board Tuesday, October 28, the board deferred a decision on the case of the motocross developer, KW Morrision LLC, appealing the opinion of the county attorney (Mac Chenault) on the need of approval from an adjacent land owner to apply for a conditional-use permit for the motocross park.

Another meeting is scheduled on Wednesday, November 5, 2008, at 11:00 at the King William Courthouse to announce their final decision. ♦
